

PRODUCT TECHNICAL DATA SHEET

Commercial Name: CP-P001

Chemical Name: Citraconic anhydride

CAS No.: 616-02-4

Molecular Formula: C₅H₄O₃

Specification:

Items:	Units:	Specification:
Appearance		clear colorless to light yellow liquid
Purity	%	min. 98.0

Application & Performance:

Used as pharmaceutical intermediate

Packing: 200Kg/drum

Storage: cool & dry place with good ventilation
